Snapshots: Pictures of Discipleship Lambs among Wolves – Evangelism Luke 10.1-12

When Jesus sends out his disciples here he is sending them on
'*ahead of him to every town and place where he would go.*'

1. What can you find in this passage about the task Jesus gives them?

2. What kind of people do they need to be?

3. What are the difficulties we face today when we share the Gospel with people around us?

Share together ways in which you have been helped to overcome such difficulties.

4. In your prayer time you might like to pray for the people with whom you want to share the good news about Jesus.

Sunday Prayer Meeting

7.00pm – 8.00pm St James'
The first in the new pattern of a once-a-month Sunday evening prayer meeting. This is a replacement for the monthly weekday prayer meeting that we used to have. Over the months to come a variety of folk will be leading so each prayer meeting should be fresh and different yet with the constant aim of deepening our relationship with God. If you're interested in helping with this meeting in any

way then please let me know.
Brian.
